**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am writing to ask that you uphold the previous law that allows competition and the use of copper and fiber lines for smaller providers. As a former AT&T and Comcast (now X-Finity) customer, I simply could not afford the constant price increases to maintain phone, internet, and cable services. Moving to Sonic provided a quality alternative at an affordable price.

I ask that you allow these smaller companies a opportunity to flourish and keep competition, not monopolies, alive and well in the industry. Consumers deserve choice! Thank you.
